

Unit D, Halesfield 10
Telford, Shropshire TF7 4QP
United Kingdom

Phone: 1952581340

We are the founding company of the Acousta group. We specialise in the manufacturing of foam, rubber and plastic components for a wide variety of sectors. The components are processed from blocks, sheets and rolls of materials using our band saws, CNC machines and water jets to our customer's specification. OUR
